

PROGRAMME AT A GLANCE

Sessions marked with a  require pre-registration and additional payment.

Legend

Invited Societies Session	ESPR Sessions	ESPNIC Session	EAP Session
Bengt Robertson Award	Young Investigator Awards	Educational Symposium	Nursing
Hot Topics	Industry Symposium	Short Oral Session	Off Program Meetings
Pre-Congress Course	Plenary	Interdisciplinary Sessions	Late Breaking Orals
E-Poster Discussion Sessions			

***The practices and opinions presented during the satellite sessions do not necessarily state or reflect those of the EAPS Scientific and Organising Committees*

Thursday, October 20, 2016	
Hall R	
09:00 17:45	ESN Teaching Course I: Nutrition for the Preterm Infant <i>By invitation only</i> 

Friday, October 21, 2016						
	Hall B	Hall F	Hall G	Hall L	Hall R	Off Program Meetings
08:30 16:00	Pre-Congress Course 1: Introduction to Clinician Performed Echocardiography <i>Pre-registration required</i> 		Pre-Congress Course 3: Acute Neurology <i>Pre-registration required</i> 	Pre-Congress Course 4: Hot Themes in Paediatric Lung Disease <i>Pre-registration required</i> 	(08:30-17:00) ESN Teaching Course II: Neonatal Stabilisation <i>By invitation only</i> 	
16:00 17:30						(15:00-17:00) ESPR/ESN Council Meeting <i>By invitation only</i> ESPR Office - Room T
17:30 18:25	HALL B Opening Ceremony					
17:30 17:40	Welcome from the EAPS Organising Committee Chair Tom Stiris, Norway					
17:40 17:50	Introduction Luc Zimmermann, Netherlands					
17:50 18:00	Welcome from the General Manager of the University Hospital of Geneva Mr. Bertrand Levrat, Switzerland					
18:00 18:10	Welcome from the EAPS Scientific Committee Chair Pierre Tissieres, France					
18:10 18:25	Public Health Prevention - the Role of the Paediatrician Professor Jacques-André Romand, State Surgeon General, Switzerland					
18:30	Welcome Reception (taking place in the Exhibition Area)					

Saturday, October 22, 2016						
	Hall B	Hall A	Hall C	Hall X	Hall W	Hall V
08:00 09:00		Educational Symposium 1: Ultrasound in Paediatrics Chairs: Torsten Lauritsen, Denmark and Tom Hansen, Denmark	Educational Symposium 2: Update in Pulmonary Hypertension Chairs: Usha Raj, USA and Peter Rimensberger, Switzerland	Educational Symposium 3: Child With Asthma Chairs: Arunas Valiulis, Lithuania and Jean-Christophe Mercier, France	Educational Symposium 4: Update in Neurocritical Care Chairs: Burkhard Simma, Austria and Topun Austin, UK	Educational Symposium 5: Maturational EEG and Neurophysiology Chairs: Pierre Gressens, France and Hugo Lagercrantz, Sweden
08:00 08:30		(08:00-08:20) Ultrasound for Intravascular Access Michael Brackhahn, Germany	(08:00-08:20) Pathophysiology of Pulmonary Hypertension in the New Born Usha Raj, USA	Approach to the Wheezing Infant and Child Robert Ross Russell, UK	(08:00-08:20) Neuro-Imaging for the Intensivist Robert Tasker, USA	Maturational of the Neonatal EEG Geraldine Boylan, Ireland
08:30 09:00		(08:20-08:40) The Use of Echo in Acute Paediatric Emergencies Cécile Tissot, Switzerland	(08:20-08:40) Echocardiography of Neonates With Multifactorial Pulmonary Hypertension Neil Patel, UK	Education of the Asthmatic Patient Or His/Her Parent Martin Schöni, Switzerland	(08:20-08:40) Post-Cardiac Arrest Management Hari Krishnan Kanthimathinathan, UK	Maturational Neurophysiology Heiko Luhmann, Germany
		(08:40-09:00) Ultrasound for Regional Anaesthesia Per-Arne Lönnqvist, Sweden	(08:40-09:00) New Treatment Strategies in Paediatric Pulmonary Hypertension Maurice Beghetti, Switzerland		(08:40-09:00) Brain Death Diagnosis Hannelore Ringe, Germany	
09:00 10:00	HALL B Plenary Session 2: Global Child Health Chairs: Jean-Christophe, Mercier, France and Adamos Hadjipanayis, Cyprus					
09:00 09:30	WHO Perspective on Child Health Jon Abramson, USA					
09:30 10:00	How Do the Red Cross Address Paediatric Needs in Crisis? Kasbar Tashdjan, ICRC, Switzerland					
10:00 11:00	Coffee Break, E-Poster Viewing, Visit Exhibition Area					
11:00 12:30	ESPNIC Session 1: Supportive Measures in Children with ARDs Chairs: Daniele De Luca, France and Martin Kneyber, Netherlands	ESPNIC Session 2: Shock and Organ Dysfunction Chairs: Joris Lemson, Netherlands and Kenneth Palmer, Sweden	EAP Session 3: Allergology Chairs: Eleanor Minshall, UK and Martin Schöni, Switzerland	EAP Session 4: "My Child is Rather Short" Chair: Jernej Zavrsnik, Slovenia	ESPR Session 5: Brain and Nutrition Chairs: Gorm Greisen, Denmark and Petra Huppi, Switzerland	ESPR Session 6: Understanding and Managing the Hypoplastic Lung Chairs: Willem de Boede, Netherlands and Dick Tibboel, Netherlands
11:00 11:30	Fluid Management: A Dry Lung is a Happy Lung Simon Nadel, UK	How to Save the Liver? Pierre Tissieres, France	Anaphylaxis Treatment and Prevention Jose Lopes dos Santos, Portugal	How to Investigate a Short Child? Nicos Skordis, Cyprus	Functional MRI, DTI, Brain Maturation and Nutrition Petra Huppi, Switzerland	Angiogenic Growth Factors and Vascular Progenitor Cells to Promote Lung Growth Bernard Thebaud, Canada
11:30 12:00	Prone Positioning: Back on Track? Peter Rimensberger, Switzerland	How to Save the Kidney? Akash Deep, UK	The Association Between Cow's Milk Allergy and Constipation: Fact or Fancy? Marc Benninga, Netherlands	When to Put Him on Growth Hormone? Nicos Skordis, Cyprus	Glucose and Retinopathy: From Basic Science to Clinical Trials Elsa Kermorvant, France	Postnatal Management, Any Randomised Controlled Evidence? Dick Tibboel, Netherlands
12:00 12:30	Selected abstracts (10 min per oral)	How to Save the Brain? Robert Tasker, USA	Selected abstracts (10 min per oral)	Selected abstracts (10 min per oral)	Selected abstracts (10 min per oral)	Selected abstracts (10 min per oral)
12:35 13:30						Short Oral Session 1: Respiratory - Asthma Chair: Jose Lopes dos Santos, Portugal

	Hall E	Hall F	Hall G	Hall L	Hall Q	Hall R
	Educational Symposium 6: Nutrition of the Late Preterm Chairs: Berthold Koletzko, Germany and Dominique Haumont, Belgium	Educational Symposium 7: Preventive Health Care Chairs: Bjorn Wettergren, Sweden and Jernej Zavrsnik, Slovenia	Educational Symposium 8: IUGR Chair: Mikael Norman, Sweden	Educational Symposium 9: Practical Aspects of Paediatric Emergency Medicine Care Chairs: Alain Gervais, Switzerland and Javier Benito Fernandez, Spain	Educational Symposium 10: Haemodynamic Variables at the Bedside Chairs: Eduardo Da Cruz, USA and Joris Lemson, Netherlands	Educational Symposium 11: Family-Centred Care in PICU and NICU Chair: George Damhuis, Netherlands
	Where Are We? Alison Leaf, UK	The Importance of the Preventive Paediatric Health Care Jernej Zavrsnik, Slovenia	IUGR Simon Hannam, UK	(08:00-09:00) Practical Aspects of ED Care Niccolo Parri, Italy	(08:00-08:20) Combining Heart Rate, Blood Pressure, and Cardiac Output Joris Lemson, Netherlands	(08:00-09:00) How Far Have We Really Come in the Last 20 Years in Europe? Jos Latour, UK
	What Should We do? Alexandre Lapillonne, France	Is Hip Screening by Ultrasound Worthwhile Raoul Schmid, Switzerland	Long Term Consequences of Being Born Too Small Mikael Norman, Sweden		(08:20-08:40) Measuring ScvO2 and Lactate in Critically Ill Child Joe Brierley, UK	
					(08:40-09:00) Looking Into the Tissues With NIRS and Microcirculation Oliver Karam, Switzerland	

Coffee Break, E-Poster Viewing, Visit Exhibition Area					
Invited Societies - ERS Session 7: Outcomes of Early Onset Respiratory Disease Chairs: Luc Zimmermann, Netherlands and Kajsa Bohlin, Sweden	Invited Societies - ESPGHAN Session 8: Paediatric Inflammatory Bowel Diseases Chairs: Piotr Socha, Poland and Sibylle Koletzko, Germany	Nursing Session 9: Single Ventricle Hearts: Teamwork Matters Chairs: Irene Harth, Germany and Gerri Sefton, UK	Nursing Session 10: Psycho-Social Support During and After Intensive Care Chairs: George Damhuis, Netherlands and Jos Latour, UK	Nursing Session 11: Quality Improvement Chairs: Barbara Graedel, Switzerland and Erwin Ista, Netherlands	
The Wheezy Infant - What Happens Next? Jonathan Grigg, UK	Approach to Paediatric Crohn's Disease and Ulcerative Colitis Piotr Socha, Poland	What is Useful for the Doctors and Nurses to Know? Eduardo Da Cruz, USA	Psychosocial Outcomes After Critical Illness in Children Joseph Manning, UK	Unplanned Extubation in PICU Andrew Darbyshire, UK	
Outcomes After Premature Birth Kajsa Bohlin, Sweden	Genetic Causes of Inflammatory Bowel Disease in Infants Sibylle Koletzko, Germany	Nursing Care for Children With Complex Cardiac Defects Lyonne Tume, UK	Follow Up and Physical Outcomes After PICU Corinne Buysse, Netherlands	How to Reach Zero CLABSI? Agnes van den Hoogen, Netherlands	
Outcome from BPD Charles-Christoph Roehr, UK	Selected abstracts (10 min per oral)	Selected abstracts (10 min per oral)	Selected abstracts (10 min per oral)	Selected abstracts (10 min per oral)	
Short Oral Session 2: Neonatal Infectious Diseases Chair: Paolo Manzoni, Italy	Short Oral Session 3: Nutrition in Neonates Chair: Berthold Koletzko, Germany	Short Oral Session 4: Cardiology Chair: Cécile Tissot, Switzerland	Short Oral Session 5: Moving the Air in the PICU Chair: Daniele De Luca, France	Short Oral Session 6: Prognostic Factors for Neurodevelopmental Outcome Chair: Chiara Nosarti, UK	Short Oral Session 7: Ethics Chair: Joe Brierley, UK

Saturday, October 22, 2016 (Continued)						
E-Poster Discussion Sessions 1-7 taking place between 12:35-13:30 at the E-Poster Area in the Exhibition Area						
12:35	E-Poster Discussion Session 1: PICU 1 Moderator: Dominique Bianart, Belgium - Station 1					
13:30	E-Poster Discussion Session 2: Prevention I Moderator: Anne Maynard, Switzerland - Station 2					
	E-Poster Discussion Session 3: Neonatal Haemodynamics I Moderator: Neil Patel, UK - Station 3					
	E-Poster Discussion Session 4: Nutrition & NEC I Moderator: Kate Costeloe, UK - Station 4					
	Hall B	Hall A	Hall C	Hall X	Hall W	Hall V
Break, E-Poster Viewing, Visit Exhibition Area						
13:30				(13:45-14:45) Industry Symposium I <i>(not included in main event CME/CPD credit) **</i>	(13:45-14:45) Industry Symposium II <i>(not included in main event CME/CPD credit) **</i>	
15:00	Interdisciplinary Session 1: Developments in Paediatrics Chairs: Adamos Hadjipanayis, Cyprus and Jurgen de Graaff, Netherlands	Interdisciplinary Session 2: Quality Improvement Chairs: Morten Breindhal, Denmark and Odile Frauenfelder, Netherlands	Interdisciplinary Session 3: Biomarkers Chairs: Alain Gervais, Switzerland and Pierre Gressens, France	Interdisciplinary Session 4: Brain from Birth to Adulthood: What Are We Looking for to Assess Outcome? Chairs: Topun Austin, UK and Robert Tasker, USA	Interdisciplinary Session 5: Paediatric Publishing Chairs: Mark Peters, UK and Hugo Lagercrantz, Sweden	Interdisciplinary Session 6: Barriers for Knowledge Translation Chairs: Pierre Tissieres, France and Tom Stris, Norway
15:00	WHO Views on Radiation Risks in Infants and Children Maria Del Rosario Perez, Switzerland	How Could a European Neonatal Databases Serve As a Quality Improvement Tool? Neil Marlow, UK	Neuro Biomarkers Pierre Gressens, France	Advanced Imaging: Does it Improve Outcome Prediction? Petra Huppi, Switzerland	(15:00-15:10) Introduction, Hugo Lagercrantz, Sweden (15:10-15:30) Neonatology Henry Halliday, UK	Why Does Implementation Take Too Long in the ED? Silvia Bressan, Italy
15:30	Documenting Resuscitation in the Delivery Room Daniele de Luca, France	Quality Improvement for Healthcare Javier Benito Fernandez, Spain	Biomarkers in General Paediatrics Ian MaConochie, UK	Adolescent Behaviour: Is it Affected by Early Neonatal Event? Marc Potenza, USA	(15:30-15:50) Paediatric Research Eleanor Molloy, Ireland (15:50-16:10) Archives Dis Child Ben Stenson, UK	Putting Guidelines Into Practice: Do Doctors Follow the ESPGHAN Guidelines for Coeliac Disease? Sibylle Koletzko, Germany
16:00	Is There a Dark Side of Electronic Charting? Jurgen de Graaff, Netherlands	Improving Outcomes and Quality Through Collaboration Joe Brierley, UK	Biomarkers of Gastrointestinal Diseases Jan Taminiou, Netherlands	Age Appropriate Outcome Measures: Do They Mean Anything? Neil Marlow, UK	(16:10-16:20) Acta Paediatrica (16:20-16:30) Discussion	Does my Patient Or His/her Disease Fit to the Guidelines? Peter Rimensberger, Switzerland
16:30	Coffee Break, E-Poster Viewing, Visit Exhibition Area					
17:00	ESPNIC Session 12: ECMO for Respiratory Failure: Ready for Routine Use? Chairs: Eduardo Da Cruz, USA and Graeme MacLaren, Singapore	ESPR Session 13: Neuro-Intensive Care/Neuromonitoring in the NICU Chair: Geraldine Boylan, Ireland	ESPR Session 14: Cord Clamping: Current Evidence and Ongoing Research Chairs: Heike Rabe, UK and Arjan te Pas, Netherlands	EAP Session 15: Sonography in the Paediatric Practice Chairs: Peter Hoyer, Germany and Corinne Wyder, Switzerland	ESPNIC Session 16: Update on Cerebrovascular Monitoring Chairs: Robert Tasker, USA and Hannelore Ringe, Germany	EAP Session 17: Acquired Hyperlipidaemia: Shall We Treat and When? Chair: Peter Altortaj, Hungary
17:00	ECMO for Respiratory Failure: Ready for Routine Use? Kenneth Palmer, Sweden	Neuro-Intensive Care/Neuromonitoring in the NICU Topun Austin, UK	Cord Clamping: Current Evidence and Ongoing Research Heike Rabe, UK	How Does Sonography Help in the Daily Primary Care Setting? Raoul Schmid, Switzerland	Cerebrovascular Reactivity: A Useful Dynamic Biomarker? Hari Krishnan Kanthimathinathan, UK	Is It Necessary to Treat Asymptomatic Hyperlipidaemia? Carine De Beaufort, Luxembourg
17:30	Selected abstracts (10 min per oral)	Selected abstracts (10 min per oral)	Selected abstracts (10 min per oral)	Selected abstracts (10 min per oral)	Selected abstracts (10 min per oral)	Selected abstracts (10 min per oral)
18:15	Industry Symposium III <i>(not included in main event CME/CPD credit) **</i>					

E-Poster Discussion Sessions 1-7 taking place between 12:35-13:30 at the E-Poster Area in the Exhibition Area					
E-Poster Discussion Session 5: Neonatal Neurology & Outcome I Moderator: Ursula Felderhoff-Muser, Germany - Station 5					
E-Poster Discussion Session 6: Respiratory Diseases in the New Born I Moderator: Luc Zimmermann, Netherlands - Station 6					
E-Poster Discussion Session 7: Training & Quality Control in the NICU I Moderator: Morten Breindahl, Denmark - Station 7					
Hall E	Hall F	Hall G	Hall L	Hall Q	Hall R
Break, E-Poster Viewing, Visit Exhibition Area					
			(13:30-15:00) ESN Business Meeting <i>By invitation only</i>		
Interdisciplinary Session 7: Environmental Hazards in Children Chairs: Jernej Završnik, Slovenia and Elsa Kermorvant, France	Interdisciplinary Session 8: Microbiome Chairs: Hans Van Goudoever, Netherlands and Paolo Manzoni, Italy				
Pollutants and Toxic Products in Human Milk Dag Bratlid, Norway	Preterm Infants and NEC Prevention Kate Costeloe, UK				
Pollutants and Lung Disease Jonathan Grigg, UK	Antibiotics, Microbiome and Health Paolo Manzoni, Italy				
E-Hazards Affecting Children's Health Peter Altortaj, Hungary	Intestinal Microbiome and Asthma Benjamin Marstrand, Switzerland				
Coffee Break, E-Poster Viewing, Visit Exhibition Area					
Invited Societies - ESPGHAN Session 18: Hereditary Liver Disease in Children Chairs: Berthold Koletzko, Germany and Tudor Pop, Romania	Invited Societies - EUSEM Session 19: A New Approach to Musculoskeletal Infections - The Role of Kingella Kingae Chair: Jean-Christophe Mercier, France	Nursing Session 20: Spiritual Care in the Intensive Care Unit Chairs: Barbara Graedel, Switzerland and George Damhuis, Netherlands	Nursing Session 21: Endotracheal Suction in High Risk Patients Chairs: Joseph Manning, UK and Agnes van den Hoogen, Netherlands	Nursing Session 22: Hot Topics in NICU Nursing Chairs: Mats Eriksson, Sweden and Odile Frauenfelder, Netherlands	
Genetic Causes of Paediatric Liver Disease Valerie McLin, Luxembourg	Kingella Kingae - Its Role in Musculoskeletal Infections Romain Basmaci, France	Is There a Need For Spiritual Care of Workers in the PICU/ NICU Jos Latour, UK	Endotracheal Suction in High Risk Patients Lyvonne Tume, UK	Hot Topics in NICU Nursing Mats Eriksson, Sweden	
Selected abstracts (10 min per oral)	Selected abstracts (10 min per oral)	Selected abstracts (10 min per oral)	Selected abstracts (10 min per oral)	Selected abstracts (10 min per oral)	
		ESPNIC Joint Members Meeting <i>By invitation only</i>		ESPR Business Meeting <i>By invitation only</i>	

Sunday, October 23, 2016						
	Hall B	Hall A	Hall C	Hall X	Hall W	Hall V
08:00 09:00		Educational Symposium 12: Haemodynamic Non-Invasive Monitoring At the Bedside in Neonates: Where Are We? Chairs: Heike Rabe, UK and Arjan te Pas, Netherlands	Educational Symposium 13: Pro-Con, LISA Versus INSURE Chairs: Anton van Kaam, Netherlands and Henry Halliday, UK	Educational Symposium 14: Internet and Technology Chair: Károly Illy, Netherlands and Stefano del Torso, Italy	Educational Symposium 15: Dermatology for the Primary Care Paediatrician Chairs: Raoul Schmid, Switzerland and Nicole Ritz, Switzerland	Educational Symposium 16: Basic Management in Congenital Heart Disease Chairs: Neil Patel, UK and Eduardo Da Cruz, USA
08:00 08:30		(08:00-09:00) Haemodynamic Non-Invasive Monitoring At the Bedside in Neonates: Where Are We? Istvan Seni, Qatar	LISA Versus INSURE: New Techniques to Administer Surfactant Egbert Herting, Germany	Social Media in Paediatrics: Friend or Foe Peter Aitorjai, Hungary	Update on Atopic Dermatitis - Perspective of the Paediatrician Jose Lopes dos Santos, Portugal	What the Neonatologist Needs to Know Nicole Sekarski, Switzerland
08:30 09:00			LISA Versus INSURE: New Techniques to Administer Surfactant Kajsa Bohlin, Sweden	Problematic Cell Phone Use Linda Marconi, Italy	What is This Rash? Martin Schöni, Switzerland	What the Paediatric Intensivist Needs to Know Eduardo Da Cruz, USA
09:00 10:00	HALL B Plenary Session 3: When Immunology Meets Child Health Chairs: Robert Ross Russell, UK and Nico Hartwig, Netherlands					
09:00 09:30	Antigens, Immune Response and Inflammatory Disease - Frits Koning, Netherlands					
09:30 10:00	Perspective and Challenges in Neonatal and Children Vaccination - Andrew Cant, UK					
10:00 11:00	Coffee Break, E-Poster Viewing, Visit Exhibition Area					
11:00 12:30	EAP Session 23: Infectious Diseases Chairs: Andrew Cant, UK and Burkhard Simma, Austria	EAP Session 24: Adolescent Medicine Chair: Károly Illy, Netherlands	ESPNC Session 25: Update in Sepsis Pathophysiology Chairs: Koos Jansen, Netherlands and Pierre-Emmanuel Charles, France	ESPNC Session 26: Cardiogenic Shock Chairs: Kenneth Palmer, Sweden and Neil Patel, UK	ESPR Session 27: Early Predictors of RDS Severity/ Targeted Surfactant Treatment Chairs: Charles-Christoph Roehr, Germany and Anton van Kaam, Netherlands	ESPR Session 28: Congenital Heart Disease and Brain Injury Chairs: Petra Hüppi, Switzerland and Serena Counsell, UK
11:00 11:30	Reappearance of Pertussis, What We Should Do? Nicole Ritz, Switzerland	How to Communicate With Adolescents At the Office Anne Meynard, Switzerland	Immune Monitoring of Children With Sepsis Mark Peters, UK	Emergency Treatment of Cardiogenic Shock Eduardo Da Cruz, USA	Early Predictors of RDS Severity Luc Zimmermann, Netherlands	Congenital Heart Disease and Brain Injury Serena Counsell, UK
11:30 12:00	Vaccination in Chronically Ill Children and Immunosuppressed Children Andrew Cant, UK	Drugs, Alcohol and Sleep Deprivation Linda Marconi, Italy	Role of Danger Signals in Sepsis Pathogenesis Jerome Pugin, Switzerland	Treatment Options of Refractory Cardiogenic Shock in Children Graeme MacLaren, Singapore	Targeted Surfactant Treatment Henrik Verder, Denmark	Congenital Heart Disease and Brain Injury Manon Benders, Netherlands
12:00 12:30	Selected abstracts (10 min per oral)	Selected abstracts (10 min per oral)	Selected abstracts (10 min per oral)	Selected abstracts (10 min per oral)	Selected abstracts (10 min per oral)	Selected abstracts (10 min per oral)
12:35 13:30	Short Oral Session 8: Long Term Neurodevelopmental Outcome Chair: Neil Marlow, UK					

	Hall E	Hall F	Hall G	Hall L	Hall Q	Hall R
	Educational Symposium 17: Update in Acute Renal Failure Chairs: Joe Brierley, UK and Pierre Tissieres, France	Educational Symposium 18: Evaluation of Drugs for Paediatric Use Chairs: Marek Migdal, Poland and Karel Allegaert, Belgium	Educational Symposium 19: Common Gastroenterologic Problems Chairs: Stelios Thomaidis, Cyprus and Berthold Koletzko, Germany	Educational Symposium 20: Issues of Long Stay and Chronically Ill Children and Neonates Chair: Joseph Manning, UK	Educational Symposium 21: Non-Invasive Ventilation in Nursing Practice Chair: Erwin Ista, Netherlands	Educational Symposium 22: Embedding the Science in PICU/ NICU Nursing Chair: Lyonne Tume, UK
(08:00-08:20)	AKI in Neonates Vesna Stojanovic, Serbia	Current Approaches of Regulatory Agencies Jan Taminiua, Netherlands	Update on ESPGHAN Guidelines on Gastroenteritis Myriam Van Winckel, Belgium	Issues of Long Stay and Chronically Ill Children and Neonates Jo Wray, UK	Managing Patients on Long Term NIV Support Andrew Darbyshire, UK	(08:00-09:00) Embedding the Science in PICU/NICU Nursing Martha Curley, USA
(08:20-08:40)	Update on Hepatorenal Syndrome Akash Deep, UK	Randomised Controlled Trials in Paediatric IBD Patients Piotr Socha, Poland	ESPGHAN Guidelines: Constipation Facts and Myths Marc Benninga, Netherlands	Unheard and Unseen But Influential: Exploring and Understanding the Experiences and Roles of Siblings of PICU Survivors Post Critical Illness Joseph Manning, UK	NIV in Neonatal ICU George Damhuis, Netherlands	
(08:40-09:00)	Dosing and Modality of CRRT: What Does the Evidence Say? Etienne Javouhey, France					

Coffee Break, E-Poster Viewing, Visit Exhibition Area					
Invited Societies - ESPA Session 29: Haemodynamics Chairs: Joe Brierley, UK and Joris Lemson, Netherlands	Invited Societies - ESN Session 30: Understanding Cardiovascular Responsiveness to Fetal-Neonatal Transition Chairs: Topun Austin, UK and Gorm Greisen, Denmark	Invited Societies - ESPGHAN Session 31: Early Programming Of Long-Term Health – New Opportunities for Paediatrics Chairs: Tom Stiris, Norway and Hans van Goudoever, Netherlands	Nursing Session 32: Facilitating Safe and Optimal Patient Transitions: How Do We Get It Right? Chair: Joseph Manning, UK	Nursing Session 33: Resuscitation Training Chairs: Barbara Graedel, Switzerland and Gerri Sefton, UK	Nursing Session 34: Interactive Cases of Acute Respiratory Failure in NICU and PICU Chairs: Martha Curley, USA and Agnes van den Hoogen, Netherlands
Blood Pressure in Neonates and Children Joris Lemson, Netherlands	Cerebrovascular Reactivity and the Transitional Circulation Topun Austin, UK	Early Programming of Adult Health - Is Epigenetics the Key? Berthold Koletzko, Germany	Facilitating Safe Transitions Between Care Settings Joseph Manning, UK	ILCOR 2015 Guidelines Dominique Biarent, Belgium	PICU Case Andrew Darbyshire, UK
Inotropes and Vasopressors in Children Andrew Wolf, UK	How to Incorporate Cord Clamping Into Transitional Circulation of the Preterm Infant? Arjan te Pas, Netherlands	Nutrition and Growth in Preterm Infants: Risk for Later Metabolic Syndrome? Hans van Goudoever, Netherlands	Transitioning From ICU to LTV - When to Leave the ICU Andrew Darbyshire, UK	Can Simulation Help Improve Resuscitation Skills? Gerri Sefton, UK	NICU Case George Damhuis, Netherlands
Selected abstracts (10 min per oral)	Selected abstracts (10 min per oral)	Selected abstracts (10 min per oral)	Selected abstracts (10 min per oral)	Selected abstracts (10 min per oral)	Selected abstracts (10 min per oral)
Short Oral Session 9: Cardiac PICU Chair: Nicole Sekarski, Switzerland	Short Oral Session 10: Lung Disease in the New Born Chair: Henry Halliday, UK	Short Oral Session 11: Sepsis in PICU Chair: Etienne Javouhey, France	Short Oral Session 12: PICU-NICU Nursing Chair: Martha Curley, USA	Short Oral Session 13: Drugs & Intervention in the New Born Chair: Karel Allegaert, Belgium	Short Oral Session 14: Various Chair: Arunas Valiulis, Lithuania

Sunday, October 23, 2016 (Continued)						
E-Poster Discussion Sessions 8-14 taking place between 12:35-13:30 at the E-Poster Area in the Exhibition Area						
12:35	E-Poster Discussion Session 8: PICU 2 I Moderator: Hannelore Ringe, Germany - Station 1					
13:30	E-Poster Discussion Session 9: Respiratory I Moderator: Eleanor Minshall, UK - Station 2					
	E-Poster Discussion Session 10: Ethical Considerations in the NICU I Moderator: Dag Brattlid, Norway - Station 3					
	E-Poster Discussion Session 11: Neonatal Endocrinology & Growth Related Problems I Moderator: Petra Hüppi, Switzerland - Station 4					
	Hall B	Hall A	Hall C	Hall X	Hall W	Hall V
Break, E-Poster Viewing, Visit Exhibition Area						
13:30						
15:00						
15:00	Interdisciplinary Session 9: Updates in Parenteral Nutrition Chairs: Umberto Simeoni, Switzerland and Frederic Valla, France	Interdisciplinary Session 10: Stem Cells in Clinical Practice Chairs: Pierre Gressens, France and Ursula Felderhoff-Muser, Germany	Interdisciplinary Session 11: Over Diagnosis Chair: Corinne Wyder, Switzerland	Interdisciplinary Session 12: Trial Design for Drug Studies Chairs: Karel Allegaert, Belgium and Dick Tibboel, Netherlands	Interdisciplinary Session 13: Transportation of the Critically Ill Infant and Child Chairs: Joe Brierley, UK and Morten Breindahl, Denmark	Interdisciplinary Session 14: The Acutely Sick Child Chairs: Jean-Christophe Mercier, France and Robert Ross Russell, UK
15:00	New ESPGHAN/ESPEN 2016 Guidelines for Paediatric Parenteral Nutrition Berthold Koletzko, Germany	When a Smart Paediatrician Should Suspect Childhood Cancer? Tomasz Szczepeński, Poland	Errors of Omission Vs. Errors of Commission (Doing the Right Stuff) Gorm Greisen, Denmark	Is the RCT Still the Gold Standard? Dick Tibboel, Netherlands	Stabilisation of the Critically Ill Child Before Transportation Padmanabhan Ramnarayan, UK	The Collapsed Baby Pierre Tissieres, France
15:30	Early Vs. Late Parenteral Nutrition Hans van Goudoever, Netherlands	Stem Cells for Neonatal Lung Disease Bernard Thebaud, Canada	How May Over Diagnosis Be Harming Children Victor Larcher, UK	Controversies of When to Use Placebo Controls Marek Migdal, Poland	Transportation of the Neonate Morten Breindahl, Denmark	Meningitis and Meningococcal Disease Simon Nadel, UK
16:00	Parenteral Lipids Alexandre Lapillonne, France	Cell Therapy in Paediatric Liver Disease Anil Dhawan, UK	How to Find the Right Needle in the Haystack? Limits of Genetic Screening Mike Levin, UK	What Makes a Network Successful? Mark Turner, UK	Transport of the ECMO Patient Kenneth Palmer, Sweden	Severe Respiratory Distress Martin Kneyber, Netherlands
16:30	Coffee Break, E-Poster Viewing, Visit Exhibition Area					
17:00	ESPR Session 35: Antibiotics in the NICU Chairs: Karel Allegaert, Belgium and Paolo Manzoni, Italy	EAP Session 36: Autism and Spectrum of Autism Disorders, the Care About Patients With Autism Disorders Chairs: Corinne Wyder, Switzerland and Anne Meynard, Switzerland	ESPNIC Session 37: Feeding in Special Medical Conditions Chairs: Koen Joosten, Netherlands and Christoph Fusch, Germany	Invited Societies - ESN Session 38: Non-Invasive Respiratory Support: From NICU to PICU Chairs: Morten Breindahl, Denmark and Marti Pons, Spain	EAP Session 39: Haematology For the Primary Care Paediatrician Chairs: Jernej Završnik, Slovenia and Bjorn Wettergren, Sweden	ESPR Session 40: Balance Between Immune Defence and the Risk of Damaging Tissue Chairs: Mark Peters, UK and Bobbi Fleiss, France
17:00	Antibiotics in the NICU Paolo Manzoni, Italy	A Personal and Professional Update Matthias Huber, Switzerland	Feeding in Special Medical Conditions Frederic Valla, France	Non-Invasive Respiratory Therapy - from NICU to PICU Charles-Christoph Roehr, UK	Fbc. What Information Does It Give? Tomasz Szczepeński, Poland	Balance Between Immune Defence and the Risk of Damaging Tissue Pierre-Emmanuel Charles, France
17:30	Selected abstracts (10 min per oral)	Selected abstracts (10 min per oral)	Selected abstracts (10 min per oral)	Selected abstracts (10 min per oral)	Selected abstracts (10 min per oral)	Selected abstracts (10 min per oral)

E-Poster Discussion Sessions 8-14 taking place between 12:35-13:30 at the E-Poster Area in the Exhibition Area						
E-Poster Discussion Session 12: Neurology I Moderator: Gorm Greisen, Denmark - Station 5						
E-Poster Discussion Session 13: Infectious Diseases I Moderator: Nico Hartwig, Netherlands - Station 6						
E-Poster Discussion Session 14: Genetics/Cardiovascular I Moderator: Nicos Skordis, Cyprus - Station 7						
Hall E	Hall F	Hall G	Hall L	Hall Q	Off Program Meetings	
Break, Poster Viewing, Visit Exhibition Area						
	(13:45-14:45) Meet the Expert Industry Session I <i>(not included in main event CME/CPD credit) **</i>	(13:45-14:45) Meet the Expert Industry Session II <i>(not included in main event CME/CPD credit) **</i>	(13:45-14:45) Meet the Expert Industry Session III <i>(not included in main event CME/CPD credit) **</i>	(13:45-14:45) Meet the Expert Industry Session IV <i>(not included in main event CME/CPD credit) **</i>	(13:30-15:00) ESPR/ESN Council Meeting <i>By invitation only</i> ESPR Office - Room T	
Interdisciplinary Session 15: Family Centred Care Chairs: Kajsa Bohlin, Sweden and George Damhuis, Netherlands	Interdisciplinary Session 16: How to Interpret Bedside Neuro-Monitoring? Chairs: Geraldine Boylan, Ireland and Lyonne Tume, UK					
NIDCAP in a Clinical Setting Simon Hannam, UK	aEEG and Continuous EEG Hari Krishnan Kanthimathinathan, UK					
Parental Perspective Silke Mader, Germany	Intracranial Pressure Hannelore Ringe, Germany					
Do We Really Listen to the Family When Caring for Patients Jos Latour, UK	NIRS Monitoring in the NICU Istvan Seri, Qatar					
Coffee Break, E-Poster Viewing, Visit Exhibition Area						
ESPNIC Session 41: Optimal Pharmacotherapy in Specific Conditions Chairs: Jos Latour, UK and Dick Tibboel, Netherlands	Invited Societies - EUSEM Session 42: The Diagnostic Value of Vital Signs in the ED Chairs: Santiago Mintegi, Spain and Jean-Christophe Mercier, France	Nursing Session 43: Sedation Protocols in Children With Acute Respiratory Failure Chairs: Martha Curley, USA and Lyonne Tume, UK	Nursing Session 44: Improving ICU Outcomes Through Safety Initiatives in PICU and NICU Chairs: Barbara Graedel, Switzerland and Agnes van den Hoogen, Netherlands			
Optimal Pharmacotherapy During Renal Replacement Therapy Akash Deep, UK	The Diagnostic Value of Vital Signs in the ED Henriette Moll, Netherlands	Sedation Protocols Do Not Reduce Ventilation Duration Martha Curley, USA	Improving ICU Outcomes Through Safety Initiatives in PICU and NICU Erwin Ista, Netherlands
